

Promoting Cultural Sensitivity: A Practical Guide for Tuberculosis Programs That Provide Services to Persons from Somalia

Author: CDC NCHHSTP Division of Tuberculosis Elimination

Publication Date: 2008

Country of Origin: United States

Format: Book

Physical Description: 52 p.: col., ill.; appendices, maps, refs., tables.

Language: English

Abstract:

This guide is part of a series that aims to help TB program staff provide culturally competent TB care to some of the U.S.'s highest priority foreign-born populations. Other guides in the series focus on people from China, Mexico, Vietnam, and Laos. This guide is intended for health care providers, community-based workers, program planners, administrators, health educators, and resettlement agencies that work with Somali communities.
